He can run 100 meters in just 11 seconds. That's very fast. He can also fly! Not like a bird, but using a hang-glider. He goes hang-gliding every weekend in the hills near the family home. The middle child is Janine, who is 19. She's similar to her mother and she loves foreign languages. She studies Italian and French and can speak both of them very well. When she's with her mother, they can speak French and nobody in the house understands them!
